Sewer service is a flat rate fee of \$28.50 per month regardless of water usage. Invoices are mailed out on the 28th of each month. The sewer bill is due upon receipt and late after the 21st of the month. A late fee of 10% of the balance due is assessed on all past due accounts. If you do not receive your bill by the 5th of the month please call and let us know. Not receiving a bill does not constitute the right not to pay it. If paying with check, money order, or a bill-pay service, please use Service ID # on all payments. Any bills over 60 days old will get a \$25.00 Collection Fee added on to the bill. After 90 days past due, your service will be discontinued by having water service disconnected as per Revised Missouri State Statute Section 393.015 RSMo. 2000. If service is discontinued, any additional charges will be added to the account for having to disconnect your water. After 90 days past due, Timber Creek Sewer Company may also file a lien against the property resulting in an additional fees being added on to your bill.
